

Reading Assignment 1

Design Thinking Videos and Articles

Overview of Design Thinking (Human-Centered Design):

<https://www.designkit.org/human-centered-design.html>

Review all mindsets on this page (You can read the text and/or watch the short videos):

Article - The Design Thinking Process:

Note that this article follows the 5-stage Stanford d.School Design Thinking process, instead of 6 stages that we use in class. The first two stages we use (Understand and Observe) are combined into Empathize here. The overall thinking/approach is similar.
